SENATE BILL NO. 2990

AN ACT MAKING AN APPROPRIATION FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE STATE DEPARTMENT OF AUDIT FOR FISCAL YEAR 2019.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

**SECTION 1.** The following sum, or so much thereof as may be necessary, is hereby appropriated out of any funds in the State General Fund not otherwise appropriated, for the purpose of paying salaries and defraying the expenses of the State Department of Audit in making the audits and investigations of public offices of the state and counties as provided by Section 7-7-201 et seq., Mississippi Code of 1972, for the fiscal year beginning July 1, 2018, and ending June 30, 2019 ..... \$ 8,544,257.00.

**SECTION 2.** The following sum, or so much thereof as may be necessary, is hereby appropriated out of any special funds in the State Treasury to the credit of the State Department of Audit's special fund account for the purpose of paying salaries and defraying the expenses of the State Department of Audit in making the audits and investigations of public offices of the state and

**SECTION 3.** Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time .....	165
	Part Time .....	3
Time-Limited:	Full Time .....	0
	Part Time .....	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2020 do not exceed Fiscal Year 2019 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2019 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2019 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal

Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2019 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.
